RE: Old Town Temecula Association and City of Temecula Welcome Visitors to Old Town with a New Patriotic Display

TEMECULA, CA – In celebration of America's 250th anniversary and the spirit of Independence Day, the **Old Town Temecula Association** has purchased **decorative patriotic stars** that will adorn the arches throughout Old Town Temecula this summer. The display has been installed with the assistance of the **City of Temecula Public Works** team.

The City of Temecula extends its appreciation to the Old Town Temecula Association for its generous investment in enhancing the historic district and creating a festive atmosphere for residents and visitors alike. This collaborative effort reflects a shared **commitment to community pride** and commemorating our nation's historic milestone.

The patriotic stars will welcome visitors as Old Town prepares for a weekend of **Independence Day festivities**, special promotions, community celebrations, and the beloved Fourth of July Parade. Together, the display and upcoming activities will showcase the patriotic spirit and hometown charm that make Old Town Temecula a favorite destination.

Residents and visitors are encouraged to stroll through Old Town, admire the star display, support local businesses, and enjoy all that the district has to offer. The stars will remain on display throughout the summer as a tribute to **America's 250th anniversary and the enduring spirit of community**.
